Note: Closing dates are not set by us but by BRC Head Office. Club entries have to be compiled and submitted to both the Area 4 committee AND to Head Office. They have to be received, with full payment from the club, 3 weeks prior to the qualifier. In order for this to happen, members entries and entry fees must be with the our A4 Secretary by noon on the Tuesday prior to that deadline to ensure they can be processed and sent off in time. Entries will not be submitted unless **forms and payment** have been received by the A4 secretary.
